### RV Motion Lighting Products:

- Motion detection range can be set for 10-25 feet.
- Installs easily, uses same hole pattern & wiring as most standard lights.
- Star Monitor indicates RV's battery condition and helps preserve your coach battery.

### 12v Replacement Bulbs:

- Revolution LED bulbs last 100 times longer than a standard bulb.
- Energy efficient – can run 10 Revolution bulbs for every 1 standard bulb.

NTP#	MFG#	DESCRIPTION
